

Air quality management product offering

A full suite of products to monitor and manage your air quality.

Pūrgo RX

Specifications

Technology	SteriDuct™ UV-C LED
Filter set	Pre-filter, carbon, HEPA (H14)
Efficacy	Eliminates 99.995% of microorganisms and particles down to 0.1 μm (micron)
Airflow	160-300 CFM
Coverage	4 to 6 air changes/hour in a 3000 ft³ room
Dimensions	25.8" x 10.6" x 19.5", 44LB (27.5" with casters)
Power	120W Max, 115 VAC 60 Hz
Noise	45-67dB
Maintenance	Filter cartridge: 6-months Service: 18-months
Warranty	Limited 3-year
FDA Clearance	510(k) Class II: Cleared for medical use to eliminate harmful airborne microorganisms including bacteria, viruses & mold, and collect particles

Air Pro

Specifications

Technology	PECO-HEPA
Filter set	Multi-layer PECO-Filter
Efficacy	Particulate matter (PM1, PM 2.5, PM10) down to 0.3 μm, VOCs, CO2, relative humidity
Airflow	Six fan speeds
Coverage	Spaces up to 1000 sq. ft. (92.9 m²)
Dimensions	23.1" (58.6 cm) high x 10.9" (27.9 cm) wide
Power	Lowest speed – 61 W Highest speed – 153 W (110-220v) 3-prong power plug
Noise	33-64 dB
Maintenance	Recommended filter replacement every 6-months
Warranty	2-year limited warranty
FDA Clearance	510(k) Class II: Cleared for medical use to destroy bacteria, viruses & mold, and collect particles

Air Mini+

Specifications

Technology	PECO-HEPA
Filter set	Multi-layer PECO-Filter
Efficacy	Particulate matter (PM1, PM 2.5, PM10) down to 0.3 μm, VOCs, CO2, relative humidity
Airflow	Five fan speeds
Coverage	Spaces up to 250 sq. ft. (23.22 m²)
Dimensions	12" (30.48cm) high x 8.26" (20.98 cm) wide
Power	Lowest speed – 20 W Highest speed – 55 W (110-240v) 2-prong power plug
Noise	39-62 dB
Maintenance	Recommended filter replacement every 6-months
Warranty	2-year limited warranty
FDA Clearance	510(k) Class II: Cleared for medical use to destroy bacteria, viruses & mold, and collect particles
