

Airfree[®] Fit

Fit and breathe

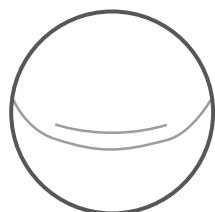

The natural solution for **asthma**,
allergies, **mold** and **contaminated air**

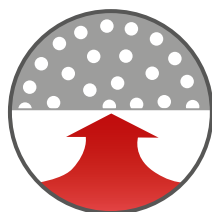

Wall
mount

The same technology, **equal efficiency**

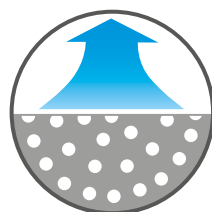

The **Fit model** has small dimensions and beautiful design, offering the same performance and efficiency as other **Airfree®** models. It can be fitted to the wall in any room, saving floor space.

Contaminated air enters into **Airfree®** by air convection

The microorganisms are eliminated at temperatures of close to 400 °F

The purified air is cooled before being returned to the environment

The purified air dissipates throughout the environment

A revolution in the **concept of air purification**

Patented and environmentally friendly technology

Small and portable

Requires no maintenance

2-year warranty

Totally silent

Releases neither ozone nor ions

Low energy consumption

Easy mount on the wall

Model	Capacity	Consumption
Fit	180 sq ft	33 W
