

airwash[®] Amaircare Airwash IS5500

Whole Home HEPA Air Filtration System

Quickly remove and control indoor air pollution in your job Site, rooms, or office buildings with a top-quality industrial air cleaner unit. One of the best commercial air purifier systems available that easily attaches to any air handler, machine, or other ducted application.

With heavy duty pre-filters, HEPA and activated carbon filter system, positive and negative air scrubber capability, 5 Year Warranty, and can be made portable, with powerful 2500 CFM.

SPECIFICATIONS

CLASSIFICATION

- Central HEPA (High Efficiency Particulate Air) 100% Sealed Air Cleaning Device
- C.S.A. approved

DIMENSIONS: 32." W x 33.3" L x 42" H

WEIGHT: 166 lbs

AIR FLOW (C.F.M.): 2500 CFM

POWER USAGE: 320 Watts

MOTOR: 120v / 5.7 amp

FINISH: 18 gauge steel housing, durable powder coated baked enamel

COLOR(S): Black, White, Cream

SERVICE AREA: 37500 sq ft (1 ACH per Hour)

INTAKE: 2 - 12" round duct collar

OUTFLOW: 12" x 24" rectangle output no flange (order extra flange if needed)

CONTROL: Variable Speed

THREE-STAGE FILTRATION

Stage 1: Prefilter (1 Year)

Removes Large Dust Particles – Disposable.

Stage 2: HEPA Filter (3 to 5 Years)

99.97% efficient @ 0.3 microns. Removes dust, pollen, bacteria, dander, attached viruses, cigarette smoke, radon daughters and more.

Stage 3: Inner Carbon V.O.C. Blanket (6 Months)

Removes gas molecules, including V.O.C.'s that could be hazardous.

FEATURES & BENEFITS

Easy-to-Change Filters

Easily removable for quick filter changes. Ask about filter options.

Metal Cabinets

Provide greater protection of filters and internal components and do not emit toxins.

Highly-Efficient Motor/Fan

Low electrical consumption when continuously run over a long period of time.

QUAD HEPA Design

Powerful QUAD HEPA filters and Optional QUAD (4) carbon filters PLUS 4 pre-filters for maximum performance!.

Bypass Installation

mounts on the return air portion of the air handling system and does not impact the HVAC system or endanger the HVAC warranty

Wheel Or Cart Option Available for Portability

Best for Buildings, Warehouses & Extra-Large Rooms or HVAC systems needing Strong Particle, Chemical, Smoke or Odor Removal Dust, Dirt, Fibers, Mold, etc.)

Easy Filter Access

End door removes for easy filter maintenance.

Variable Speed Control

Change the air flow rate of the system to suit your needs and levels of contaminants in your environment.

VOC Filter Upgrade Included!

Radically increases the capacity for capturing chemical and gas pollution.

High efficiency air flow at a low running cost, minimal drain on electricity resources with years of continuous performance.
