

TRIO Plus is proven to inactivate 99.99% of SARS-CoV-2, the cause of COVID-19

Innovative Bioanalysis, a certified 3rd party testing facility, confirmed the TRIO Plus achieved a 99.99% efficacy against coronavirus, specifically SARS-CoV-2, the virus that causes COVID-19.

The TRIO Plus inactivated 99.99% of the virus that causes COVID-19 within 30 mins, verified through air sample testing. Formal report is in process.

“The system achieved a 99.99% reduction over a static environment control after 30 minutes.”

Good afternoon,

Unfortunately I do not carry my phone inside the BSL3 lab due to contamination concerns. The system achieved a 99.99% reduction over a static environment control after 30 minutes in the 8x8x10 sized environment. Reports are provided 6 – 9 weeks from experiment onset so you can expect a draft in a couple weeks.
